

The Linux Foundation Certification Program has established policies and procedures to fairly and consistently address alleged violations. Complaint procedures are designed to ensure that valid and actionable complaints are investigated and considered, and that all parties involved in the complaint have an opportunity to document circumstances warranting the complaint and to respond.

If you would like to file a complaint regarding a Linux Foundation Certification policy or procedure or against a Linux Foundation Certification Candidate or Certified person ("Certificant"), please complete all requested information below and submit the form to certificationsupport@linuxfoundation.org with "Complaint Form Submission" as the Subject.

Please be advised that if the Certification Advisory Board determines that a complaint filed against a person is actionable, the information provided to the Board by Complainant will be made available to the Candidate or Certificant for their review and rebuttal.
